### DEFINITIONS

#### PRODUCER MILL

All mills (local & international) that supply input material for the manufacture of cladding & roofing products including any agents of producer mills.

#### SUPPLIER OF EXOTIC MATERIAL

Any party that supplies non-steel based input material (other than aluminium or stainless steel) for the manufacture of cladding & roofing products e.g. copper, titanium zinc, terne, titanium, etc.

#### ROOFING PROFILER

Any manufacturer or importer of metal cladding & roofing profiles including tiles.

NATIONAL: Any Roofing Profiler that supplies products into more than one province or neighbouring state.

PROVINCIAL: Any Roofing Profiler that supplies products only into a single province or region.

#### ROOFING CONTRACTOR

All parties involved in the installation of cladding & roofing products.

#### MAINTENANCE AND REPAIR

All parties whose business is the maintenance, repair and occasional replacement of metal cladding.

#### TRUSS PLANTS+B3

Business entity that manufactures roof trusses and supplies metal cladding as part of a package

#### ALLIED PRODUCTS

Includes suppliers of all secondary materials & ancillary items used in the cladding & roofing industry, but excludes any company whose main activity falls within any of the above categories.

#### FINANCIAL INSTITUTIONS

Will include commercial banks, finance houses, developers & insurance companies & their assessors or loss adjusters.

#### ASSOCIATES

Are firms of professionals, allied institutions & associations plus regulatory bodies.

#### INDIVIDUAL

A single person with an interest in the activities of SAMCRA but excluding any manager, executive, partner or owner of a company covered by one of the above categories.
